I Value:

Safe Schools - support the physical, mental and emotional well-being of all learners and educators.

Strong Schools - academically challenge all learners, lower class sizes, emphasize career & college readiness and invest in robust extracurriculars.

Sound Schools - long term financial and organizational health to attract development and property value growth.

Equitable Schools - environment valuing people of different ethnicities, cultures, backgrounds, beliefs and perspectives while also providing the opportunities needed to level the playing field for all.

Prepared and paid for by the Travis Sutten for School Board Committee.

Why vote for Travis Sutten?

As a parent, I am fully invested in strong schools for all.

As an Eagle Scout, I believe deeply in community service. My skills and experience are a true fit for serving our community on the school board.
